Dear Board Members,

As the Medical Director of the Dell Rapids Ambulance, regarding employee Nancy Delker, I am personally asking that all her restrictions be lifted and she be allowed to function without limitations. Nancy is an asset to our ambulance service and community. She provides exceptional quality and

Prehospital care to all of our patients that she treats. She is an asset to our service and our team. She is very helpful within our ER and hospital

system as well. I have no reservations with Nancy being granted "No restrictions". Thank you for your consideration in this matter.

Sincerely,
Joe Prasek, MD
